

President's Letter

6 November 2025

Dear Neighbors,

Several groups are holding meetings that impact our neighborhood or give promise of helping with some of the problems we are experiencing. Please attend when you can to add your voice to the many who are demanding solutions.

(1) LUNA Community Meeting. Tonight, Thursday 6 November, 7-8:30 Van Ness Elementary School. Sorry for the late notice. Present, Councilman Soto-Martinez, LAPD, Field Representative for Assemblyman Zbur. Parking in the lot off 512 N. Norton.

(2) CD-13 Meeting regarding Western Avenue prostitution and the spill-over to our neighborhood. 13 November, 5:00 pm, Hollywood Council Office, 6501 Fountain Ave (just south of the Hollywood LAPD Division and the historic Fire Station #27). Not confirmed, but contact Field Deputy Mark Fuentes at (213) 913-2991 for updated information.

(3) Windsor Square Association Town Hall with Mayor Bass, Monday 17 November, The Ebell, 743 S Lucerne, RSVP <https://mailchi.mp/windsorsquare/2025-town-hall-rsvp>

United Neighbors is mobilizing to demand an 'alternate plan' for single-family neighborhoods as specified in the now signed into law SB79. If you want to see the impact of this destroyer, go look at the building going up at Beverly and St. Andrews and envision something similar next door. Be ready to submit supporting letters.

Regards,

Bob
